We look forward to you joining us by the bay for another spectacular season of professional theater. What awaits you in 82<sup>nd</sup> season? A theatrical experience filled with an exciting mix of productions including a family comedy-drama, a star-dusted comic adventure, a ravishingly beautiful musical, a delightfully silly murderous comedy and a charming off-beat comedy.

**Did you receive an email from us?** If you did not receive an email notice of the 2017 season, please contact the Box Office to verify your email address on file. We use email to correspond with ticket holders, to send reminders 24-hours before each play and to confirm ticket orders when requested. Stay in touch, be informed.

**The 2017 Playbill** is listed on the back of the Subscription Grid form. ***The Actuary***, a world première romantic comedy-drama by Steven Peterson opens the season. ***Peter and the Starcatcher*** will have imaginations flying high in this play by Rick Elice based on the novel by Dave Barry and Ridley Pearson. Be swept away by the beautifully lush musical ***The Bridges of Madison County***, based on the novel by Robert James Waller and created by Jason Robert Brown and Marsha Norman. ***Lord Arthur Savile's Crime*** is a delightful comedy full of muddled murder by Constance Cox, based on the story by Oscar Wilde. The season closes with ***Almost, Maine*** by John Cariani, a charming off-beat comedy set in a mythical town where love is lost and found.
